ASEICA, Association pour le Soutien de l'Enseignement International sur la Côte d'Azur, is a not-for-profit making association (Law of July 1901). Parents enrolling their child(ren) in the ASEICA educational programs become members of the association. The tuition fees are entirely devoted to running costs linked to teaching. Regular payment is required in order for the Association to meet its financial obligations.

- Parents undertake firmly and irrevocably to pay all tuition fees for the whole duration of their child's (children's) schooling in the International Anglophone Section, as well as late payment penalties where applicable.
- Only one person should be responsible for payment per family.
- The enrollment of students on fee-paying school trips or any other extracurricular activity organized by ASEICA is subject to the full payment of any outstanding school fees.

PAYMENT:

Fees are payable in euros only. They are billed yearly and payable by 10 July 2017 (unless paid by 10 monthly direct debits). Invoices will be posted online on www.scolinfo.net in July. We will **email in July your access codes to login into your member area**.

Direct debit is the preferred payment method for the association.

1. Direct debit (zone SEPA: EEE countries, Switzerland and Monaco)

a) Direct debit in one payment of the total amount:

This direct debit is free of charge; and will take place around 10 July 2017. You will benefit from a 2% reduction on the tuition fees.

b) Ten direct debits:

These direct debits take place on the 10th of the month, from July 2017 to April 2018. A fee of 30 euros per year will be applied to this type of payment.

Should a direct debit be rejected by your bank:

The amount of the rejected monthly payment should be paid by check. A penalty of 30 euros will be applied for rejected direct debits. If two installments are rejected, direct debits will be suspended and the outstanding amount for the year will become due immediately.

Each new request for payment by direct debit or change of bank account should be notified before the 25th of each month, in order to be taken into account for the following direct debit.

2. One payment of the whole amount by check in euros payable in France to ASEICA:

Add a charge of 50 euros for payment by check.

You do not benefit from any reduction in tuition fees.

Check must be sent with the registration documents, and will be cashed starting on 1 July 2017.

ASEICA reserves the right to refuse any other payment method.

LATE PAYMENT

A late payment penalty of 30 euros per invoice will be applied to each payment received after the payment due date.

The association will take any action deemed necessary to recover the outstanding amounts. Any banking fees and legal expenses incurred in recovering unpaid fees will be added to the amount due.

ASEICA reserves the right to exclude students from extra-curricular activities and university guidance organized by ASEICA in the event of non-payment of fees.

AREAS OF EXPERTISE AND VOLUNTEER OPPORTUNITIES:

ASEICA is run by parent volunteers who are committed to the vision of a vibrant and active International Section.

Parents can help us to provide a stimulating learning environment for our students.

You may have professional expertise, skills or contacts that will enable us to enhance our academic, theater or cultural programs. Perhaps you would like to share your professional experience with students to help them in their choices about their futures.

If you only have an hour or two to help, there are events throughout the year: Coffee Mornings, our International Picnic, our General Assembly, International Day, Alumni Evening and many more. Perhaps you could run a stand, help cater an event or donate your products/services to be used as a tombola prize.

Maybe you would consider becoming even more involved by joining the ASEICA Board. The Board consists of 9 to 11 members including a President, Vice-President, Treasurer and Secretary. Come to our monthly Board Meetings to find out more!

All members regularly receive newsletters and emails listing volunteer opportunities. There is an expectation that all parents of the school will support the work of ASEICA by volunteering at least a few hours per year.

Please complete « Associative Life » section on Annexe 1 (page 7).

TAX-DEDUCTIBLE DONATIONS:

ASEICA is a non-profit organization dedicated to education. Your tuition fees cover the costs associated with hiring and paying the salaries of teachers providing a high-quality English-language education within the French education system.

ASEICA volunteers, including Board members, donate their time and skills to keep fees as low as possible while making sure the association can offer the best level of education possible.

If you or your employer would be interested in contributing to this mission, donations to ASEICA are tax-deductible for taxpayers in France (both individuals and businesses).

To make a donation, please go to our website at www.aseica.org to download the donation form.
